Re: Review Committee Decision – Case 20-009 Wenatchee Reclamation District vs. Three Lakes Excavation, LLC

Dear Mr. Johnson:

The Washington State Dig Law Safety Committee received complaints regarding potential violations of Washington State Dig Law RCW 19.122.030 for work performed on February 2, 2020.

On April 28, 2020, the committee formed a review board and heard Case 20-009 filed by Wenatchee Reclamation District against Three Lakes Excavation, LLC.

The review board determined that the respondent, Three Lakes Excavation, LLC, violated RCW 19.122.030(2) for excavating without a valid locate ticket.

Therefore, the committee recommends a total penalty of \$1000.00 be assessed to the respondent as follows;

- \$1000.00 penalty for one violation of RCW 19.122.030(2)

The recommended penalty is \$1000.00, with \$800.00 deferred on the condition that Victor Padilla attends NUCA dig safe training and incurs no additional violations of RCW 19.122 within twelve months of receiving a penalty assessment order.

Please let me know if you have any questions regarding this case. I can be contacted at 206-794-9823.

Sincerely,

Jim Walton, Chair
