Re: Avista Utilities' Petition

Dear Mr. Johnson:

Attached for electronic filing with the Commission is Avista Corporation's, dba Avista Utilities' ("Avista" or "the Company"), petition for an Order approving the Company's avoided cost rate methodology for power purchases from large qualified facilities per WAC 480-106-050(5). The Company has also provided confidential and redacted work papers in support of its methodology. The work papers have been provided via overnight mail as they are too large to submit through the Commission's web portal.

If you have any questions regarding this filing, please contact me at (509) 495-2782 or shawn.bonfield@avistacorp.com.

Sincerely,

/s/ Shawn Bonfield
