State Of WASH.
UTIL. AND TRANSP.
COMMISSION

Dear, Mr. Mark Johnson, Executive Secretary!

My name is Valerian Nimorencu and I am writing on behalf of **Achilles Pro Movers HG- 067311 Docket TV-200549.**

I am kindly asking for an exemption to WAC 480-15-302(11) and request that the commission waive the 12 month waiting period to reapply for a cancelled household goods moving permit.

I have originally held numerous conversations with the commission and explained that " I would let my cargo insurance expire on purpose" due to restructure on the company and a possibility of sale, and owners change.

Unfortunately or fortunately that has not happened and we decided to reapply and keep providing the WA State Residents with moving services in near future. We ended up reincorporating and also opening a new moving company by the name of **KERB THG-069110** and that is currently active.

We are currently up to date with insurances and the necessary safety measurement in order to re-operate. All the fees of the application have been paid, and your Staff are very helpful at providing fast and efficient information.

Thank you for your consideration on this matter and your critical decision!

**Best Regards
Valerian Nimorencu**
