ORIGINAL SHEET NO. 46

SUMMIT VIEW WATER WORKS

SCHEDULE 13

(N)

CONTRACTOR SERVICE

A. Applicable:

To any person or entity intending to obtain water through the use of a fire hydrant or other valve connection within the company's distribution system.

This Schedule does not apply to fire trucks and related personnel engaged in fire fighting activity.

B. Rate:

1. Security Deposit of \$1,000.00
2. Monthly Use Fee (Base Rate): \$45.00 per month
3. Usage Rate: \$0.40 per 100 gallons

C. Conditions:

1. Any person, corporation or other entity desiring service under this Schedule must first make application to the company on a form provided by the company for that purpose. No application fee is required. However, the Security Deposit must accompany the application.

2. Any person, corporation or other entity taking water from the company's system for any use whatsoever without having first made application for service under this Schedule, and that application having been accepted, and the Security Deposit remitted, will be liable for all charges as if a permit had been approved and, in addition, the costs, charges and fees available to the company in accordance with the fraudulent obtaining or use of service as described under RCW 80.28.240 and Commission rules, if any.

SUMMIT VIEW WATER WORKS

SCHEDULE 13 (Continued)

(N)

CONTRACTOR SERVICE (Continued)

3. Service shall only be granted if:
 - a. Such service does not affect the ability of the company to provide services required by Chapter 480-110 WAC;
 - b. Pressure is at all times maintained as required by rules of the Washington Utilities and Transportation Commission, Department of Health, and county and local ordinances;
 - c. The company is aware of no possible restrictions on the use of water, i.e., conservation requirements due to draught or any other unusual circumstances.
4. The company may suspend any such service under this Schedule in the event of occurrences related to Condition 3.
5. The company will specify the location of where such service is to be obtained, the withdrawal rate at which such service shall be obtained, and the methods which will be used to obtain such service. Any violation of this Schedule shall be deemed to have been a withdrawal of water as though an application had not been submitted.
6. The customer shall be responsible for any and all damage to hydrants, pipes, mains or other equipment of the company caused by use of this Service or improper use of said equipment.
7. The Security Deposit will be returned to customer if the application is not granted. Upon termination of this service the net amount of the Security Deposit (i.e., less any amounts owed to company or previously deducted for payments owed under this Schedule) will be returned to customer.
