NOTICE OF RATE INCREASE

Republic Services, Inc.
Rubatino
Sound Disposal
Waste Management

Dear Valued Customer:

Due to increased environmental regulation requiring new and costly special handling and processing of the of residential commingled yard waste/food waste at our composting facilities, we have found it necessary and appropriate to increase our tip fees. This fee increase will be effective **September 1, 2020**.

- Commingled Residential Yard Waste/
Residential Food Waste \$ 65.00/ton

We appreciate your business and will continue to offer an environmentally sound low-cost alternative to the landfilling of compostable materials.

Sincerely,

Cedar Grove
