RE: Request for a revision to Time Schedule No. 36, Page 2, for Lake Chelan Boat Company, Certificate No. 34.

To Whom It May Concern,

Lake Chelan Boat Company is requesting to add Friday service to Table No. 1. This service will then be running on Fridays and Sundays through August 31st, which are heavier travel days for overnight passengers. Two boats will be running on these days, which will allow for more passenger spacing during this time when it is important, due to the COVID-19 situation. Lake Chelan Boat Company is assuming no further travel and/or personal restrictions will be mandated (due to the virus). If there are, this additional service may need to be removed.

Because the sole change is to increase the number of runs on the established route currently operated and no change is otherwise made in existing schedules, the effective date has been set at 7/10/20.

Being submitted with this transmittal letter is the 9th Revised page 2 of 3.

We understand that the Notice to the Public is not necessary for this addition. However, we will distribute and post this addition by way of the website, other social media and electronic means, as needed to notify the public.

We respectfully request approval of this request. Thank you for your assistance.

Sincerely,
Reed Courtney
