For Compliance with WAC 480-15-560 and
WAC 480-15-570

DOCKET TV-200698

NOTICE OF INTENT TO CANCEL
PERMIT AS A HOUSEHOLD GOODS
CARRIER

NOTICE OF BRIEF ADJUDICATIVE
PROCEEDING; SETTING TIME FOR
ORAL STATEMENTS

(Set for September 22, 2020, at 9:30 a.m.)

- 1 Pursuant to RCW 81.80.130, the Washington Utilities and Transportation Commission (Commission) has authority to regulate common carriers, including household goods carriers, with respect to safety of operations. WAC 480-15-450 provides that the Commission may cancel a household goods carrier's permit and operating authority for good cause, including when the carrier fails to comply with safety requirements. Commission staff (Staff) recommends that the Commission cancel the permit of That's a Wrap Moving Company, LLC (That's a Wrap Moving or Company), for good cause due to the Company's ongoing failure to comply with applicable laws and Commission rules pertaining to the operation of household goods carriers, including safety requirements set in law or rule.
- 2 WAC 480-15-999 adopts by reference Title 49 of the Code of Federal Regulations (C.F.R.) pertaining to safety requirements for household goods carriers. WAC 480-15-560 specifically requires carriers to comply with 49 C.F.R. Part 385, and 49 C.F.R. § 385.13 prohibits motor carriers from operating beginning on the 61st day after the date of a notice of proposed unsatisfactory rating. Pursuant to 49 C.F.R. § 385.17, a carrier that receives a proposed unsatisfactory or conditional safety rating may request a change in its safety rating based on evidence that the company has taken corrective actions to address the identified violations and that the company's operations currently meet the safety fitness standards.
- 3 On February 14, 2019, the Commission granted the Company a provisional household goods carrier permit.
- 4 On July 29, 2020, Staff completed an investigation of That's a Wrap Moving's compliance with the safety requirements in WAC 480-15. As a result of the compliance investigation, Staff documented 15 safety requirement violations and proposed a conditional safety rating for the Company. Staff notified the Company of this proposed rating on July 29, 2020.

5 Under the circumstances presented in this case, the Commission determines that it will afford That's a Wrap Moving the same opportunity as companies that have received a proposed unsatisfactory rating to provide evidence, in the form of an approved safety management plan, showing that the Company has taken corrective action to address the identified violations. That's a Wrap Moving must come into compliance with applicable laws by obtaining Commission approval of a safety management plan no later than September 27, 2020. If the Company fails to come into compliance by that date, the Commission will cancel its household goods carrier permit effective September 28, 2020. Thereafter, as an unregistered company, That's a Wrap Moving would be prohibited from providing household goods carrier services in the state of Washington.

6 **THE COMMISSION GIVES NOTICE: That it intends to cancel the permit and authority of That's a Wrap Moving to provide services as a household goods carrier effective September 28, 2020, for cause, following a hearing on the factual allegations set out above, unless the Company obtains Commission approval of a safety management plan prior to that date.**

7 Pursuant to WAC 480-15-450(2) the Commission will hold a hearing prior to cancelling a household goods permit for a company's failure to comply with applicable laws and commission rules pertaining to operations of household goods carriers, including safety requirements set in law or rule. Accordingly, the Commission determines that a brief adjudicative proceeding is appropriate to determine whether the Commission should cancel That's a Wrap Moving's household goods carrier permit.

8 **THE COMMISSION GIVES FURTHER NOTICE: That it will hold a virtual brief adjudicative proceeding in this matter at 9:30 a.m. on September 22, 2020.
