NOTICE OF INTENT TO CANCEL
PERMIT AS A HOUSEHOLD GOODS
CARRIER

NOTICE OF BRIEF ADJUDICATIVE
PROCEEDING; SETTING TIME FOR
ORAL STATEMENTS
(Set for October 7, 2020, at 1:30 p.m.)

- 1 Pursuant to RCW 81.80.130, the Washington Utilities and Transportation Commission (Commission) has authority to regulate common carriers, including household goods carriers, with respect to safety of operations. WAC 480-15-450 provides that the Commission may cancel a household goods carrier's permit and operating authority for good cause, including when the carrier fails to comply with safety requirements. Commission staff (Staff) recommends that the Commission cancel the permit of ASD Ventures Inc., d/b/a College Hunks Hauling Junk and Moving, (ASD Ventures or Company) for good cause due to the Company's ongoing failure to comply with applicable laws and Commission rules pertaining to the operation of household goods carriers, including safety requirements set in law or rule.
- 2 WAC 480-15-999 adopts by reference Title 49 of the Code of Federal Regulations (C.F.R.) pertaining to safety requirements for household goods carriers. WAC 480-15-560 specifically requires carriers to comply with 49 C.F.R. Part 385, and 49 C.F.R. § 385.13 prohibits motor carriers from operating beginning on the 61st day after the date of a notice of proposed unsatisfactory rating. Pursuant to 49 C.F.R. § 385.17, a carrier that receives a proposed unsatisfactory or conditional safety rating may request a change in its safety rating based on evidence that the company has taken corrective actions to address the identified violations and that the company's operations currently meet the safety fitness standards.
- 3 On August 7, 2018, the Commission granted the Company a provisional household goods carrier permit.
- 4 In August, 2020, Staff completed an investigation of ASD Ventures' compliance with the safety requirements in WAC 480-15. As a result of the compliance investigation, Staff documented 232 safety requirement violations and proposed an unsatisfactory safety rating for the Company. Staff notified the Company of this proposed rating on August 13, 2020.

5 ASD Ventures must come into compliance with applicable laws by obtaining Commission approval of a safety management plan no later than October 12, 2020. If the Company fails to come into compliance by that date, the Commission will cancel its household goods carrier permit effective October 13, 2020. Thereafter, as an unregistered company, ASD Ventures would be prohibited from providing household goods carrier services in the state of Washington.

6 **THE COMMISSION GIVES NOTICE: That it intends to cancel the permit and authority of ASD Ventures to provide services as a household goods carrier effective October 13, 2020, for cause, following a hearing on the factual allegations set out above, unless the Company obtains Commission approval of a safety management plan prior to that date.**

7 Pursuant to WAC 480-15-450(2) the Commission will hold a hearing prior to cancelling a household goods permit for a company's failure to comply with applicable laws and commission rules pertaining to operations of household goods carriers, including safety requirements set in law or rule. Accordingly, the Commission determines that a brief adjudicative proceeding is appropriate to determine whether the Commission should cancel ASD Ventures' household goods carrier permit.

8 **THE COMMISSION GIVES FURTHER NOTICE: That it will hold a virtual brief adjudicative proceeding in this matter at 1:30 p.m. on October 7, 2020.
