Re: Pacific Northwest Transportation Services Inc C-862 Premium Limited-Stop Door to Door Shared Service Flexible Fare Addition Tariff Page 4d through 4e

Mr. Johnson:

Capital Aeroporter requests approval and intends to initiate a New Service Type – “Premium Limited-Stop Door-to-Door Shared Van Service”, effective as of October 15, 2020.

This filing follows the requirements of WAC 480-30-420 (9) A tariff filing whose only purpose is to add a new service option or a service level which has not been previously included in the company's tariff must be filed on at least one business-day notice to the commission in compliance with WAC [480-30-301](#).

“Premium Limited-Stop Door-to-Door Shared Van Service” will provide the following new features:

- Unscheduled auto transportation service – pickups will be scheduled based upon customer flight time, not company-established line run schedule.
- Pickup times will be offered in frequent intervals
- Restriction to a maximum of 4 passengers per reservation; including adults, children, and baggage limit charges.
- One Reservation/Stop allowed per vehicle bench seat
- Equitable Mileage Pricing determined by distance from SeaTac Airport
- More efficient and customer-friendly scheduling options based upon passenger flight times
- eServices that provide passengers with expected arrival time text messages, passengers can track their driver in real-time on google maps and automated email confirmations and receipts
