**Re: Advice No. 2020-37
PSE Electric Tariff Revision - Filed Electronically**

Dear Mr. Johnson:

Puget Sound Energy (“PSE”) hereby submits proposed revisions to its electric Schedule 141X, Protected-Plus Excess Deferred Income Tax (EDIT) Reversals Rate Adjustment. This filing, pursuant to RCW 80.28.060 and Chapter 480-80 WAC, proposes revisions to the following electric tariff sheet.

WN U-60, Tariff G - (Electric Tariff):

2nd Revision of Sheet No. 141X – Protected-Plus Excess Deferred Income Tax (EDIT) Reversals Rate Adjustment

The purpose of this filing is to correct a scrivener’s error in the Monthly Rate section for Schedule 7A & Schedule 25 in Schedule 141X. The current monthly credit rate was intended to apply to the Energy Charge both for the first 200,000 kWh and for all kWh over 200,000 kWh. The description of the rate is now corrected with this filing. This Schedule 141X rate has been correctly implemented consistent with the intention of the original filing and associated work papers, despite the typographical error on the tariff sheet.

The tariff sheet described herein reflects an issue date of October 21, 2020, and an effective date of November 20, 2020. Posting of the proposed tariff change for public inspection and review, as required by law and the Commission’s rules and regulations, is being completed in accordance with WAC 480-100-193(1).
