Dear Mr. Johnson:

Enclosed are proposed revisions to Tariff No. 4 for Torre Refuse & Recycling d/b/a Sunshine Disposal & Recycling (G-260) in Spokane County.

The purpose of this tariff revision is to reflect the increased disposal fees at the Spokane Waste-to-Energy Facility and the Spokane County Transfer Stations. This filing also adjusts the annual recycle commodity charge.

Combined, these filings increase revenue approximately \$23,000 annually or about .1% on an total tariff revenue.

If I can be of any further assistance, please contact me at 509-924-5678 x217 or 509-252-3500 (fax) or at [johnl@sunshinedisposal.com](mailto:johnl@sunshinedisposal.com).

Respectfully,

John Lloyd
