RE: Pullman Disposal Service, Inc., G-42, Disposal Rate Increase

Dear Secretary:

This filing is submitted by: Pullman Disposal Service, Inc., G-42. Attached are the Tariff No. 18 replacement pages to be effective January 1, 2021.

This filing proposes a disposal fee only increase. This increase is necessary to offset increased disposal site fees. The rate increase is a direct pass-through as a result of the notice from Whitman County that they will increase disposal rates effective January 1, 2021. A disposal fee increase falls within the definition of a general rate increase pursuant to WAC 480-07-505.

A copy of this transmittal letter will be mailed to the City Manager of the City of Pullman, WA, and to the Chair of the Whitman County Commissioners.

We are requesting an exemption from the work paper filing requirements of WAC 480-07-520(4). This is a disposal fee only case and as such we are allowed to petition for this exemption in order to minimize the cost and work associated with this filing.

My authority to file on behalf of Pullman Disposal Service, Inc. is on record. If there are any questions please contact me via phone at 360-425-8000, fax at 360-425-8005 or email jdavis@boothdavis.com. Devon Felsted may be reached at Pullman Disposal Service, Inc., 135 NW Harold Drive, Pullman, WA 99163; phone 509-334-1914, fax 509-334-5268 or email Devon@pullmandisposal.com.

Very truly yours,
