RE: Petition to Request an Exemption from Utilities and Transportation Commission's Insurance Requirements

To Whom It May Concern,

Singh Bros Trucking LLC is asking for an exemption to WAC.480-14-250 (1) (a) to accept United Specialty Insurance Co., as an unauthorized company not listed with WUTC as our auto liability insurance provider. United Specialty Insurance Co is an active member of the Surplus Lines Association of Washington as an acceptable unauthorized carrier for filing purposes with the NAIC number 12537.

Singh Bros Trucking LLC is hereby formally filing a petition to request and exemption from the State of Washington UTC's insurance requirements. This is necessary due to the non-renewal we received from our previous carrier. Unfortunately, other carriers came back with much higher rates which would jeopardize our ability to do business.

If you need anything further, please do not hesitate to reach out and let me know.

Thanks,
