

WASHINGTON WATER SERVICE COMPANY

November 24, 2020

Mark L. Johnson, Executive Director & Secretary  
Washington Utilities and Transportation Commission  
PO Box 47250  
Olympia, WA 98504-7250

Dear Mr. Johnson;

Enclosed is a copy of the contract between Harbor Point Holdings, LLC and Washington Water Service Company (WWSC) to extend the water main on Creviston Drive NW, tie-in to the distribution system, bacteriologic sampling, engineer inspections, installation of 8 service connections and a fire hydrant capable of providing 1,250 gpm for a 1-hour duration time. This site is on parcel # 0122222049 in Pierce/Kitsap Counties, which is serviced by Minterbrook Water System, DOH ID #54740B. This agreement has been signed by Craig Tumer and countersigned by Matthew D. Brown, the General Manager of WWSC.

Estimated costs identified on Attachment A are \$39,400.00. To this extent, a payment of \$19,700.00 has been received, as attached.

Upon completion and certification of the extension, Craig Tumer will provide to WWSC a Bill of Sale which will transfer ownership of the facilities to the company.

Please do not hesitate to call me at 253-851-4060 ext. 1105, if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Chakweva".
