Re: US Telecom, Inc. – Notice of Cancellation of Registration as a Telecommunication Company

Dear Mr. Johnson:

Pursuant to WAC 480-120-083(10), US Telecom, Inc. (“US Telecom”) hereby notifies the Commission that it is canceling its registration as a telecommunications company. On November 7, 1990, the Commission granted US Telecom’s petition for classification as a competitive telecommunications company. US Telecom no longer provides service to customers in the State of Washington and does not intend to provide service in the future.

WAC 480-120-083(10) requires a company canceling its registration to comply with the Commission’s cessation of services rules, as applicable. US Telecom does not currently have any customers or operations in the State of Washington. Accordingly, pursuant to WAC 480-120-083(1)(d), it is exempt from the Commission’s cessation of services rules.

Please contact the undersigned with any questions regarding this notice of cancellation.

Very truly yours,

Davis Wright Tremaine LLP

Mark P. Trincherro  
Attorney for US Telecom, Inc.
