

Resume of Applicant's Experience

Trilogy MedWaste West - Corporate Officers

Trilogy MedWaste West's primary business is collecting, transporting and processing of medical waste. Our senior management team has a combined total of over 100 years of experience with the management of waste disposal from healthcare related facilities.

Trilogy MedWaste West acquired Waste Management Healthcare Solutions. This new location expands our ability of transportation and treatment of medical waste and is in-line with the overall experience of the senior management (Corporate Officers) resume of experience.

Waste Disposal from Healthcare Related Facilities include;

- Hazardous Materials
- Hazardous Waste
- Infectious Waste
- Special Waste (ie: trace chemotherapy waste and pathological waste)
- Regulated Medical Waste
