TC210039 - Suspension of Certificate C001047 Due To Insufficient Proof of Insurance

Dear Pacific Northwest Distributing, LLC:

On December 16, 2020, the Washington Utilities and Transportation Commission (Commission) notified you that your transportation certificate would be canceled unless you submitted acceptable proof of insurance by January 20, 2021. Our records show that you failed to submit acceptable proof of insurance by that deadline. As a consequence, **the Commission has suspended your certificate and tariff for 30 days until the Commission receives acceptable proof of insurance or the Commission orders a temporary discontinuance as requested in Docket TC-201015. You must immediately CEASE all operations associated with this certificate. If you operate without a valid certificate, the commission may take enforcement action against you.**

You have the right to a hearing. If you believe the Commission should not have suspended your certificate for 30 days, you may ask the Commission to schedule a hearing before an administrative law judge. At the hearing the only issue the Commission will address is whether you had proof of insurance on file to avoid the 30-day suspension. Email your request to Mark L. Johnson, Secretary, at records@utc.wa.gov. You may also mail your request to WUTC, PO Box 47250, Olympia, WA 98504-7250. The Commission must receive your request within 14 days after the date of this letter.

If you have questions about this notice, please contact Licensing Services at (360) 664-1222. You may also email us at transportation@utc.wa.gov.

Sincerely,

Suzanne Stillwell
Licensing Services Manager
