Dear Mr. Johnson;

Enclosed is a copy of the contract between Northridge Contractors Inc. and Washington Water Service Company (WWSC) to complete the tap of the extended watermain on 208th Street East for the proposed Classic Enclave Plat Development. This site is in Pierce County, which is serviced by Southwood Water System, DOH ID #82844H. This agreement has been signed by Ken Ritter and countersigned by Matthew D. Brown, the General Manager of WWSC.

Estimated costs identified on attachment "A" are \$85,115. To this, a payment of \$42,557 has been received, as attached.

Please do not hesitate to call me at 253-851-4060 ext. 1105, if you have any questions.

Sincerely,

A handwritten signature in dark ink that reads "Chakweva". The signature is written in a cursive style.
