RE: Tariff Revision Schedule No. 4

Dear Mr. Johnson,

This is a follow-up revision to the submittal on Jan 26, 2021, for clarification.

The purpose of this filing is to revise schedule No. 4-Service Connection Charge for Northwest Water Services LLC tariff sheets. The requested service connection charge is \$2,419.20.

Please see the attached spreadsheet of actual charges to customers in 2020. An average was taken of these two actual charges to calculate the requested charge. Northwest Water Services respectfully requests Commission review and approval.

If you have any questions concerning this tariff update, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Patty Childers".
