From: Alworth, Ben <Ben.Alworth@Stemilt.com>
Sent: Friday, January 22, 2021 12:10 PM
To: wsdlsafetycommittee@gmail.com
Subject: WSDLSC - Complaint Cases 20-038, 20-039, and 20-045
Attachments: SCStationaryRespondant review letter.pdf; Complaint 20-039 Info.pdf; Complaint 20-038 Info.pdf; Complaint 20-045 Info.pdf

To whom it may concern,

Please find the following information regarding KMO Complaint Cases 20-038, 20-039, and 20-045 as received per the attached letter on 1/16/2021. Please find the following information regarding each complaint case:

Complaint Case 20-038: KMO does call in for digging per the attached locate requests. We are continuing to improve to make sure all digging over 12" is called for locate prior to starting the work. It is unclear where this specific locate complaint case is located.

Complaint Case 20-039: KMO is continuing to improve to make sure all digging over 12" is called for locate prior to starting the work. It is unclear where exactly this complaint is located but if it is on the East side of the Loop Road in the area of the referenced reservoir then Ticket # 20314229 (attached) would apply for this work.

Complaint Case 20-045: It is unclear where exactly this complaint is referencing as the new fence project is quite long. We have completed 22 locate requests for the referenced fence project to date as shown in the attached file. 10 of these locate requests were completed prior to the complaint date of 11/19/2020. The attached file also includes a map referencing where the locate requests were completed.

Please confirm receipt of this email and we look forward to discussing these issues and how we can continue to improve next Tuesday.

Please let me know if you have any questions.

Thank you,

BEN ALWORTH
KMO - Director of Support Operations
