**NOTICE OF PENALTIES INCURRED AND DUE
FOR VIOLATIONS OF LAWS AND RULES**

**PENALTY ASSESSMENT: TV-210129
PENALTY AMOUNT: \$100**

Miracle Man Movers LLC,
d/b/a Miracle Man Movers
14602 NE Fourth Plain Blvd., Ste. J
Vancouver, WA 98682

The Washington Utilities and Transportation Commission (Commission) believes Miracle Man Movers LLC, d/b/a Miracle Man Movers, (Miracle Man Movers or Company) violated Washington Administrative Code (WAC) 480-15-570, Driver Safety Requirements, which adopts Title 49 Code of Federal Regulations (49 CFR) Part 395 – Hours of Service of Drivers.

Revised Code of Washington (RCW) 81.04.405 allows penalties of \$100 for each violation. In the case of an ongoing violation, every day's continuance is considered a separate and distinct violation.

On February 22, 2021, Commission Motor Carrier Investigator Sandra Yeomans completed a routine safety investigation of Miracle Man Movers and documented the following violations:

- **Thirty violations of 49 CFR § 395.8(a)(1) – Failing to require driver to make a record of duty status.** The Company failed to require driver Chris Bullock to prepare a record of duty status on 30 occasions between December 1 and December 30, 2020.

The Commission considered the following factors in determining the appropriate penalties for these violations:

1. **How serious or harmful the violations are to the public.** The violations noted are serious and potentially harmful to the public. Household goods moving companies that fail to require drivers to make a record of duty status put their customer's belongings and the traveling public at risk. These violations present serious safety concerns.
2. **Whether the violations were intentional.** Considerations include:
 - Whether the Company ignored Commission staff's (Staff) previous technical assistance; and
 - Whether there is clear evidence through documentation or other means that shows the Company knew of and failed to correct the violation.

On May 2, 2019, the Commission received the Company's application for household goods moving authority. In the application, Anna Bullock, manager of Miracle Man Movers, acknowledged the Company's responsibility to understand and comply with applicable safety laws and regulations.

On December 19, 2019, the Commission received the Company's application to reinstate its household goods moving authority. In the application, Anna Bullock acknowledged the Company's responsibility to understand and comply with applicable safety laws and regulations.

On June 12, 2019, Anna Bullock, Chris Bullock, and Bradley Bible attended household goods training provided by Staff. On August 19, 2020, Anna Bullock attended household goods training provided by Staff. Each representative of Miracle Man Movers acknowledged receiving training pertaining to motor carrier safety regulations.

The Company knew or should have known about these requirements.

3. **Whether the Company self-reported the violations.** The Company did not self-report these violations.
4. **Whether the Company was cooperative and responsive.** Miracle Man Movers was cooperative throughout the investigation and expressed a desire to come into compliance with motor carrier safety regulations.
5. **Whether the Company promptly corrected the violations and remedied the impacts.** Miracle Man Movers corrected violations immediately as they were discovered.
6. **The number of violations.** Staff identified 18 violation types with a total of 77 individual occurrences.
7. **The number of customers affected.** Miracle Man Movers traveled 10,000 miles in 2020. These safety violations presented a public safety risk.
8. **The likelihood of recurrence.** Staff provided technical assistance with specific remedies to help the Company assess how well its safety management controls support safe operations and how to begin improving its safety performance. The Company was cooperative throughout the safety investigation, expressed a desire to come into compliance, and corrected violations immediately as they were discovered. In light of these factors, Staff believes that the likelihood of recurrence is low.
9. **The Company's past performance regarding compliance, violations, and penalties.** On December 11, 2019, Miracle Man Movers' household goods moving permit was cancelled for failing to file acceptable proof of insurance in Docket TV-191018. The Company's permit was reinstated on December 23, 2019.

This is the Company's first routine safety investigation. Miracle Man Movers has no history of penalties for safety violations.
10. **The Company's existing compliance program.** Anna Bullock is responsible for the Company's safety compliance program.

11. **The size of the Company.** Miracle Man Movers currently operates two commercial motor vehicles and employs four drivers. The Company reported \$350,000 in gross revenue for 2020.

The Commission's Enforcement Policy provides that some Commission requirements are so fundamental to safe operations that the Commission will issue mandatory penalties for each occurrence of a first-time violation.¹ The Commission generally will assess penalties by violation category, rather than per occurrence, for first-time violations of those critical regulations that do not meet the requirements for mandatory penalties. The Commission will assess penalties for any equipment violation meeting the Federal Motor Carrier Safety Administration's "out-of-service" criteria and also for repeat violations of critical regulations, including each occurrence of a repeat violation.

The Commission has considered these factors and determined that it should penalize Miracle Man Movers \$100, calculated as follows:

- Thirty violations of 49 CFR § 395.8(a)(1) – Failing to require driver to make a record of duty status. The Commission assesses a "per category" penalty of \$100 for these first-time critical violations.

This information, if proven at a hearing and not rebutted or explained, is sufficient to support the penalty assessment.

Your penalty is due and payable now. If you believe any or all of the violations did not occur, you may deny committing the violation(s) and contest the penalty through evidence presented at a hearing or in writing. Alternatively, if there is a reason for any or all of the violations that you believe should excuse you from the penalty, you may ask for mitigation (reduction) of the penalty through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact require consideration of evidence and resolution in a hearing. Any request to contest the violation(s) or for mitigation of the penalty must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request. *See* RCW 81.04.405.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation(s) or application for mitigation in a Brief Adjudicative Proceeding before an administrative law judge. The administrative law judge will consider the evidence and will notify you of their decision.

You must act within 15 days after receiving this notice to do one of the following:

- Pay the amount due.
- Contest the occurrence of the violation(s).
- Admit the violations but request mitigation of the penalty amount.
