Good Morning Bob,

As required under the railroad side clearance rules in WAC 480-60-050, CLPF- Seattle Distribution Center C/o JSH Properties, Inc. is requesting a waiver for the following:

1. The cantilevered dock platforms on the Seattle Distribution Center building are 6 feet 6 inches from the centerline of the nearest track. This is less than the required distance of 8 feet 6 inches.
2. The downspout on the south end of the Seattle Distribution Center building is 7 feet 8 inches from the nearest track's centerline. This is less than the required distance of 8 feet 6 inches.

We greatly appreciate your assistance in this matter and please do not hesitate to reach out if we need anything else to complete this petition.

Sincerely,

**Krissy Bierlein** | VP Of Property Management
