

WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

**NOTICE OF PENALTIES INCURRED AND DUE
FOR VIOLATIONS OF LAWS AND RULES**

**PENALTY ASSESSMENT: TV-210245
PENALTY AMOUNT: \$300**

Easy Move Transport LLC
1420 218th Pl. SW
Lynnwood, WA 98036

The Washington Utilities and Transportation Commission (Commission) believes Easy Move Transport LLC (Easy Move or Company) violated Washington Administrative Code (WAC) 480-15-555, Criminal Background Checks for Prospective Employees and WAC 480-15-570, Driver Safety Requirements, which adopts Title 49 Code of Federal Regulations (49 CFR) Part 391 – Qualification of Drivers and 49 CFR Part 395 – Hours of Service of Drivers.

Revised Code of Washington (RCW) 81.04.405 allows penalties of \$100 for each violation. In the case of an ongoing violation, every day's continuance is considered a separate and distinct violation.

On April 9, 2021, Commission Motor Carrier Investigator Edward Steiner completed a routine safety investigation of Easy Move and documented the following violations:

- **Two violations of 49 CFR § 391.51(a) – Failing to maintain driver qualification file on each driver employed.** The Company failed to maintain driver qualification files for drivers Juan Luis Palomares Martinez and Aaron Galvez Villalobos.
- **Twelve violations of 49 CFR § 395.8(a)(1) – Failing to require a driver to prepare a record of duty status using the appropriate method.** The Company failed to require drivers Juan Luis Palomares Martinez and Aaron Galvez Villalobos to prepare a record of duty status on 12 occasions between November 1 and November 30, 2020.
- **One violation of WAC 480-15-555 – Failing to conduct or retain paperwork containing criminal background check information for a household goods carrier in the state of Washington as required.** The Company failed to conduct a criminal background check on an employee it intended to hire. Aaron Galvez Villalobos was hired on July 10, 2020, and a criminal background check was not conducted until March 2, 2021.

The Commission considered the following factors in determining the appropriate penalties for these violations:

1. **How serious or harmful the violations are to the public.** The violations noted are serious and potentially harmful to the public. Household goods moving companies that: (1) fail to maintain driver qualification files, (2) fail to require drivers to make a record of duty status, and (3) fail to conduct background checks on employees put their customers,

their customer's belongings, and the traveling public at risk. These violations present serious safety concerns.

2. **Whether the violations were intentional.** Considerations include:
 - Whether the Company ignored Commission staff's (Staff) previous technical assistance; and
 - Whether there is clear evidence through documentation or other means that shows the Company knew of and failed to correct the violation.

On September 26, 2019, the Commission received the Company's application for household goods moving authority. In the application, Juan Luis Palomares Martinez, owner of Easy Move, acknowledged the Company's responsibility to understand and comply with applicable safety laws and regulations.

On October 9, 2019, Juan Luis Palomares Martinez attended household goods training provided by Staff and acknowledged receiving training pertaining to motor carrier safety regulations.

The Company knew or should have known about these requirements.

3. **Whether the Company self-reported the violations.** The Company did not self-report these violations.
4. **Whether the Company was cooperative and responsive.** Easy Move was cooperative throughout the investigation and expressed a desire to come into compliance with motor carrier safety regulations.
5. **Whether the Company promptly corrected the violations and remedied the impacts.** Easy Move conducted a criminal background check for Aaron Galvez Villalobos on March 2, 2021. The Company has not provided Staff with evidence that the other violations have been corrected.
6. **The number of violations.** Staff identified five violation types with a total of 17 individual occurrences.
7. **The number of customers affected.** Easy Move traveled 6,500 miles in 2020. These safety violations presented a public safety risk.
8. **The likelihood of recurrence.** Staff provided technical assistance with specific remedies to help the Company assess how well its safety management controls support safe operations and how to begin improving its safety performance. The Company was cooperative throughout the safety investigation and expressed a desire to come into compliance. In light of these factors, Staff believes that the likelihood of recurrence is low.

9. **The Company's past performance regarding compliance, violations, and penalties.** This is the Company's first routine safety investigation. Easy Move has no history of violations or penalties with the Commission.
10. **The Company's existing compliance program.** Juan Luis Palomares Martinez is responsible for the Company's safety compliance program.
11. **The size of the Company.** Easy Move currently operates one commercial motor vehicle and employs two drivers. The Company reported \$70,458 in gross revenue for 2020.

The Commission's Enforcement Policy provides that some Commission requirements are so fundamental to safe operations that the Commission will issue mandatory penalties for each occurrence of a first-time violation.¹ The Commission generally will assess penalties by violation category, rather than per occurrence, for first-time violations of those critical regulations that do not meet the requirements for mandatory penalties. The Commission will assess penalties for any equipment violation meeting the Federal Motor Carrier Safety Administration's "out-of-service" criteria and also for repeat violations of critical regulations, including each occurrence of a repeat violation.

The Commission has considered these factors and determined that it should penalize Easy Move \$300, calculated as follows:

- Two violations of 49 CFR § 391.51(a) – Failing to maintain driver qualification file on each driver employed. The Commission assesses a "per category" penalty of \$100 for these violations.
- Twelve violations of 49 CFR § 395.8(a)(1) – Failing to require a driver to prepare a record of duty status using the appropriate method. The Commission assesses a "per category" penalty of \$100 for these violations.
- One violation of WAC 480-15-555 – Failing to conduct or retain paperwork containing criminal background check information for a household goods carrier in the state of Washington as required. The Commission assesses a penalty of \$100 for this violation.

This information, if proven at a hearing and not rebutted or explained, is sufficient to support the penalty assessment.

Your penalty is due and payable now. If you believe any or all of the violations did not occur, you may deny committing the violation(s) and contest the penalty through evidence presented at a hearing or in writing. Alternatively, if there is a reason for any or all of the violations that you believe should excuse you from the penalty, you may ask for mitigation (reduction) of the penalty through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact require consideration of evidence and resolution in a hearing. Any request to contest the violation(s) or for mitigation of the penalty
