To Whom It May Concern;

This correspondence is to notify UTC that Iron Man Movers & Storage, Inc. in Bellingham, Washington is out of business effective immediately. Due to the COVID-19 pandemic, it has become too difficult financially to keep our business afloat. We have spent our entire adult lives building this business, it is with much careful consideration, prayer and acceptance that we arrived at this decision. Please let me know if there is anything further we need to do.

Respectfully,

Eric & Susan Kelly Stewart
