## SCHEDULE 3

(N)

F. 800 SERVICE

Notwithstanding anything in this Tariff to the contrary, except for Asotin Telephone Company, Lewis River Telephone Company, Inc. and McDaniel Telephone Company each doing business as TDS Telecom, effective July 1, 2021, the following will occur: (1) the intrastate originating 800 service (also known as 8YY) end office access rates will be equal to the end office access rates for interstate 8YY service established by the National Exchange Carrier Association in its TARIFF F.C.C. No. 5.; (2) the originating transport rate and originating tandem switching rate are combined into a single switched transport access service rate as established by the National Exchange Carrier Association in its TARIFF F.C.C. No 5; and (3) charges for 8YY database queries shall be at the rate as established by the National Exchange Carrier Association in its TARIFF F.C.C. No. 5.

Notwithstanding anything in this Tariff to the contrary, for Asotin Telephone Company, Lewis River Telephone Company, Inc. and McDaniel Telephone Company each doing business as TDS Telecom, effective July 1, 2021, the rates, charges and conditions for the provision of intrastate Carrier Access Service are as specified in the John Staurulakis, Inc. (JSI) Interstate Access FCC Tariff No. 1 as it now exists, and as it may be revised, added to or supplemented. For purposes of clarification, the intrastate 8YY Carrier Common Line Access rate for these companies shall be \$0.00 per minute of use.
