RE: Petition to Request and Exemption from Utilities and Transportation Commission's Insurance Requirements,

To Whom It May Concern:

Deliveries Without Borders LLC is asking for an exemption to WAC.480-14-250(1)(a) to accept Prime Insurance Company as an unauthorized company that I not listed with the WUTC as our auto liability insurance provider. Prime Insurance Company is an active member of Surplus Lines Association of Washington as an acceptable unauthorized carrier for filing purposes with the NAIC number 12588. Prime Insurance Company has an AM Best Financial strength rating of A and financial size category of VIII (\$100M- \$250M in surplus).

Deliveries Without Borders is hereby formally filling a petition to request an exemption from the State of WUTC's insurance requirements and asking WUTC to accept placement of our liability insurance with the limits of \$1,000,000 with Non-admitted insurer Prime Insurance Company. Our necessity in filing the petition is due to being unable to find an admitted carrier insurer to place our coverage with.

Please call if you have any questions or need additional information. We look forward to hearing your decision as soon as possible.

Thank you,

Jose Luis Chavez
