**RE: Advice 21-08—Schedule 93—Housekeeping**

PacifiCorp dba Pacific Power & Light Company (PacifiCorp) submits the following revised tariff sheets under RCW 80.28.050 and WAC chapter 480-80. The company requests an effective date of September 10, 2021.

Second Revision of Sheet No. 93      Schedule 93      Decoupling Revenue Adjustment

The purpose of this filing is to correct the rates in Schedule 93 consistent with Commission-approved changes that became effective on May 1, 2021.

On April 19, 2021, PacifiCorp submitted both clean and redline versions of Schedule 93 with its second compliance filing in Docket UE-191024. PacifiCorp recently discovered that the clean version from this filing did not reflect the correct rates, even though the redline version did reflect the correct rates. This was an inadvertent administrative error that PacifiCorp is correcting now. PacifiCorp has also made additional changes to correct and clarify references to other schedules.

It is respectfully requested that all formal correspondence and requests regarding this filing be addressed to:
