Re: Review Committee Decision – Case 21-037 InfraSource vs.
Comcast

Dear Mr. Johnson:

The Washington State Dig Law Safety Committee received a complaint regarding a potential violation of Washington State Dig Law RCW 19.122.030 for work performed on 05/06/2021.

On September 22, 2021, the committee formed a review board and heard Case 21-037 filed by InfraSource against Comcast.

The review board determined that the respondent, Comcast, violated RCW 19.122.030(4)(a) for failing to mark the location of their facilities on two occasions for two subsequent dig tickets.

Therefore, the committee recommends a total penalty of \$10,000 being assessed to the respondent as follows:

- \$5000 penalty for each of two violations of RCW 19.122.030(4)(a)

The recommended penalties total \$10,000

Please let me know if you have any questions regarding this case.
You contact me at 206-794-9823.

Sincerely,
