RE: Kalama Water Co LLC Tariff Revision

Dear Ms. Maxwell:

Kalama Water Co LLC is requesting an update to our existing tariff. We would like to add a 1-inch meter rate to our tariff since we recently had a new customer with a 1-inch meter.

The new 1-inch meter rate will use commission meter factors for the upsize rate and usage blocks. No other rates are changing at this time.

This 1-inch meter rate is new and we would like the effective date to be December 1, 2021.

I want to thank you for your consideration of this filing.

Sincerely

/s/ Robert Tershel
