**RE: NW Natural’s Third Quarter of 2021 Results of Operations**

Dear Ms. Maxwell,

Per WAC 480-90-275, Northwest Natural Gas Company, dba NW Natural (“NW Natural” or “Company”), submits the Results of Operations for the Third Quarter (July - September) of 2021.

Included within each month’s section is a summary of the rate of return on rate base, an income statement presentation of results, a report of operations and maintenance expense broken out by FERC account and a detailed report of operations and maintenance expense which shows the allocation methodology used. Each month’s section also includes a report for the 12-months ending each month on the rate of return on rate base and the income statement presentation of results.

Also attached are a report of allocation factors and a report of gross plant and accumulated depreciation for year to date through the most recent quarter. Finally, volumes, customers and use per customer are presented on monthly and 12-months ended bases for 2020 and year-to-date for 2021.

Reports are presented with system results, as well as with results for each state. Please feel free to call or email me if you have any questions.
