Re: **Docket UT-220004** FCC CAF/ICC Recovery
Docket UT-220004 FCC Local Rate Floor Plan

Dear Ms. Maxwell:

Pursuant to Part 54.304(d)(1) of the Federal Communications Commission ("FCC") rules, Inland Telephone Company (Study Area Code 522423) is electronically submitting Connect America Fund ("CAF") and Intercarrier Compensation ("ICC") data that will be filed with the FCC and the Universal Service Administrative Company by the National Exchange Carrier Association on the Company's behalf.

Pursuant to Part 54.313(h)(1) of the FCC's rules, companies receiving High Cost Loop Support ("HCLS") or Frozen High Cost Loop Support based on HCLS during the period July 2022 through June 2023 must complete the Local Rate Floor Data Collection form. Although Inland Telephone Company (SAC 522423) could certify that the company has no monthly residential rates (plus charges as defined) less than \$18.00, Inland Telephone Company (SAC 522423) is an Alternative Connect America Cost Model II recipient and this data collection is no longer applicable.

If you should have any questions or need further information, please call me at (509) 649-2578.

Sincerely,

James K. Brooks
 Treasurer/Controller
