Re: Notice of Intent to Establish a Quiet Zone

Dear Melinda DuBay:

The City of Kent is pursuing the establishment of a quiet zone on the Union Pacific Railroad Corporation's mainline throughout the city. Following the procedures established by 49 CFR 222 and 229 *Use of Locomotive Train Horns at Highway-Rail Grade Crossings; Final Rule*, please find the attached Notice of Intent to establish a New 24-Hour Quiet Zone at all at-grade Union Pacific mainline crossings within the city limits.

In accordance with 49 CFR 222.43 the City will accept comments related to the proposed Quiet Zone for 60 days following the date of this mailing. A comment form and contact information for submitting comments is included in the attached notice. Unofficial electronic copies of the notice are available upon request.

If you have any questions about this notice or the proposed Quiet Zone, please feel free to contact Rob Brown, Transportation Engineering Manager at RBrown@KentWA.gov or 253-856-5571.

Sincerely,

Rob Brown, P.E.
