### **Description of the Transaction**

On September 30, 2021 and pursuant to a Membership Interest Purchase Agreement (the "Purchase Agreement") dated December 30, 2020, by and among Holdings, Clear Rate, the stockholders of Clear Rate (the "Stockholders") and Sam Namy, in his capacity as the Stockholders Representative, the Stockholders and Clear Rate completed a restructuring transaction (the "*Pro Forma* Restructuring") pursuant to which (i) the Stockholders incorporated a new holding company, NNFKMM Holdings, Inc., a Michigan corporation (the "Seller"), (ii) the Stockholders contributed all of the outstanding equity interests of Clear Rate to the Seller, and (iii) following such contribution, the Seller converted Clear Rate from a Michigan corporation to Clear Rate Communications LLC, a Delaware limited liability company ("CR LLC").

Following completion of the *Pro Forma* Restructuring, the Seller sold 100% of the outstanding equity interests in CR LLC (as the successor to Clear Rate) to Holdings, thus resulting in the

indirect transfer of control of Clear Rate to Holdings. For the Commission's reference, diagrams depicting the pre- and post-Transaction ownership structures are provided in **Attachment B**.

The Transaction described above has been seamless to customers and will not affect any of the operations or Clear Rate's legal identity. After the transfer of control to Holdings, Clear Rate continues to provide high-quality communications services under the Clear Rate brand name on reasonable terms and conditions to customers, and there has been no interruption of service. Clear Rate continues to provide service at the same rates, terms, and conditions, as governed by existing contracts, which are subject to change in the ordinary course of business. Future changes, if any, in rates, terms and conditions of service will be made in accordance with applicable rules and notice requirements.

In short, the only change immediately following the closing from a customer's perspective was the new ownership of Clear Rate. Holdings and its owners further expect that existing management will continue to oversee Clear Rate on a day-to-day basis.
