Orchard Ln dig law violation 10/15

Ticket # 21470048

Will Wykes received a voicemail at about 6:30 pm on 10/14 for a job that was due by midnight 10/15 stating that elm would not be able to locate but would be out in the morning to locate. We had to cancel the water tap because it was not located. The locator arrived about 8:00 am to begin locating. Instead of completing the locate the night before so we could keep our tap schedule, Avista chose again to not comply with the dig law resulting in significant downtime.
