To: Seattle Express Customers

This is to notify you of a proposed change in auto-transportation service provided by Seattle Express from certain hotels in Sea-Tac and Tukwila to the Seattle Cruise Piers (terminals 66 and 91), as well as to South Center Mall and Pike Place Market with a requested effective date of March 20, 2022.

Seattle Express's proposed amendment to its time schedule removes service to South Center Mall from the listed stops at Sea-Tac and Tukwila hotels. A similar free service remains available and may be reserved through the Seattle Express website.

Our proposed time schedule also removes stops at Pike Place market due to lack of passenger demand. No known passenger reservations will be effected by this change.

Certain hotels in Sea-Tac and Tukwila would also be removed from the time schedule. No current passenger reservations will be effected by these changes. The list of current hotels authorizing scheduled service are identified in the proposed amended time schedule and on Seattle Express's website.

You may contact Seattle Express regarding these proposed changes by calling the number above. You can comment on the proposed to the Washington Utilities and Transportation Commission at the Commission's website ([www.utc.wa.gov](http://www.utc.wa.gov)) or by using the following contact information:
