Re: Upcoming Expiration of Lease between Harold LeMay Enterprises, Inc, G-98 and Mason County Garbage Company, Inc. G-88;

Dear Ms. Maxwell:

On behalf of the above lessor and lessee, this is to request that, upon expiration of the above lease on February 27, 2022, the reference in the authorities with regard to the lease of solid waste authority in both certificates be removed. As the Commission's records also should reflect, both of these companies independently hold separate solid waste collection authority within Mason County. The restriction about duplicating authority, we understand, will be retained on cancellation and it is the intent of Mason County Garbage to continue to fully perform all solid waste collection services within Mason County pursuant to its authorization by the Commission in its current certificate, G-88.

Please advise us should you have any questions regarding this request.

Yours truly,

David W. Wiley
