DAVID LU d/b/a GRANDMA'S BOY
MOVING CO.

For Compliance with WAC 480-15-560 and
WAC 480-15-570

DOCKET TV-220149

NOTICE OF INTENT TO CANCEL
PERMIT AS A HOUSEHOLD GOODS
CARRIER

NOTICE OF BRIEF ADJUDICATIVE
PROCEEDING; SETTING TIME FOR
ORAL STATEMENTS
(Set for April 18, 2022, at 1:30 p.m.)

- 1 Pursuant to RCW 81.80.130, the Washington Utilities and Transportation Commission (Commission) has authority to regulate common carriers, including household goods carriers, with respect to safety of operations. WAC 480-15-450 provides that the Commission may cancel a household goods carrier's permit and operating authority for good cause, including when the carrier fails to comply with safety requirements. Commission staff (Staff) recommends that the Commission cancel the permit of David Lu d/b/a Grandma's Boy Moving Co. (David Lu or Company) for good cause due to the Company's ongoing failure to comply with applicable laws and Commission rules pertaining to the operation of household goods carriers, including safety requirements set in law or rule.
- 2 WAC 480-15-999 adopts by reference Title 49 of the Code of Federal Regulations (C.F.R.) pertaining to safety requirements for household goods carriers. WAC 480-15-560 specifically requires carriers to comply with 49 C.F.R. Part 385, and 49 C.F.R. § 385.13 prohibits motor carriers from operating beginning on the 61st day after the date of a notice of proposed unsatisfactory rating. Pursuant to 49 C.F.R. § 385.17, a carrier that receives a proposed unsatisfactory or conditional safety rating may request a change in its safety rating based on evidence that the company has taken corrective actions to address the identified violations and that the company's operations currently meet the safety fitness standards.
- 3 On June 17, 2021, the Commission granted the Company a permanent household goods carrier permit.
- 4 On March 2, 2022, Staff completed an investigation of David Lu's compliance with the safety requirements in WAC 480-15. As a result of the compliance investigation, Staff

documented 120 safety requirement violations and proposed a conditional safety rating for the Company. Staff notified the Company of this proposed rating on March 2, 2022.

- 5 Under the circumstances presented in this case, the Commission determines that it will afford David Lu the same opportunity as companies that have received a proposed unsatisfactory rating to provide evidence, in the form of an approved safety management plan, showing that the Company has taken corrective action to address the identified violations. David Lu must come into compliance with applicable laws by obtaining Commission approval of a safety management plan no later than May 1, 2022. If the Company fails to come into compliance by that date, the Commission will cancel its household goods carrier permit effective May 2, 2022. Thereafter, as an unregistered company, David Lu would be prohibited from providing household goods carrier services in the state of Washington.
- 6 **THE COMMISSION GIVES NOTICE: That it intends to cancel the permit and authority of David Lu to provide services as a household goods carrier effective May 2, 2022, for cause, following a hearing on the factual allegations set out above, unless the Company obtains Commission approval of a safety management plan prior to that date.**
- 7 Pursuant to WAC 480-15-450(2) the Commission will hold a hearing prior to cancelling a household goods permit for a company's failure to comply with applicable laws and commission rules pertaining to operations of household goods carriers, including safety requirements set in law or rule. Accordingly, the Commission determines that a brief adjudicative proceeding is appropriate to determine whether the Commission should cancel David Lu's household goods carrier permit.
- 8 **THE COMMISSION GIVES FURTHER NOTICE: That it will hold a virtual brief adjudicative proceeding in this matter at 1:30 p.m. on April 18, 2022. To attend the hearing by telephone, please call (253) 215-8782 and enter the Meeting ID: 912 5324 2284# and Passcode: 611677#. - 9 The record in this case will consist of any documents regarding the matter that are considered by or prepared for the presiding officer for the brief adjudicative proceeding and a transcript of any oral statements given at the hearing, which statements will be given under oath.
- 10 Written notice of any other stage in the proceeding or other formal proceedings that the Commission may deem appropriate will be given during the course of this case. The Commission will provide on its website, www.utc.wa.gov, copies of

documents in the current record for use by the parties or others who may want to review them.

- 11 **David Lu must submit its proposed safety management plan no later than 5 p.m. on April 4, 2022.** Parties wishing to submit any other documents for consideration at the brief adjudicative proceeding must electronically file with the Commission a list enumerating and describing any such documents **no later than 5 p.m. on April 11, 2022**, and email copies of those documents to the other parties and the presiding officer by 5 p.m. on April 11, 2022.
