For Compliance with WAC 480-15-555 and
WAC 480-15-570.

NOTICE OF INTENT TO CANCEL
PERMIT AS A HOUSEHOLD GOODS
CARRIER

NOTICE OF BRIEF ADJUDICATIVE
PROCEEDING; SETTING TIME FOR
ORAL STATEMENTS
(Set for May 3, 2022, at 1:30 p.m.)

- 1 Pursuant to RCW 81.80.130, the Washington Utilities and Transportation Commission (Commission) has authority to regulate common carriers, including household goods carriers, with respect to safety of operations. WAC 480-15-450 provides that the Commission may cancel a household goods carrier's permit and operating authority for good cause, including where the carrier fails to comply with safety requirements. Commission staff (Staff) recommends that the Commission cancel the permit of Marsik Movers LLC (Marsik Movers or Company) for good cause due to the Company's ongoing failure to comply with applicable laws and Commission rules pertaining to the operation of household goods carriers, including safety requirements set in law or rule.
- 2 WAC 480-15-999 adopts by reference Title 49 of the Code of Federal Regulations (C.F.R.), pertaining to safety requirements for household goods carriers. WAC 480-15-560 specifically requires carriers to comply with 49 C.F.R. Part 385.49. Additionally, 49 C.F.R. § 385.13 prohibits motor carriers from operating beginning on the 61st day after the date of a notice of proposed unsatisfactory rating. Pursuant to 49 C.F.R. § 385.17, a carrier that receives a proposed unsatisfactory or conditional safety rating may request a change in its safety rating based on evidence that the company has taken corrective actions to address the identified violations and that the company's operations currently meet the safety fitness standards.
- 3 On May 23, 2019, the Commission granted the Company a provisional household goods carrier permit THG-068754.
- 4 On March 9, 2022, Staff completed an investigation of the Company's compliance with the safety requirements in WAC 480-15. As a result of the compliance investigation, Staff documented 61 safety requirement violations and proposed a conditional safety rating for the Company. Staff notified the Company of this proposed rating on March 9, 2022.

- 5 The Commission will grant permanent operating authority to a carrier that successfully completes its provisional period. Successful completion requires, among other things, that the carrier receives a satisfactory safety rating based on a review conducted by Staff.¹ If a carrier fails to receive a satisfactory safety rating within 18 months of obtaining its provisional permit, the Commission will cancel the carrier's provisional permit and dismiss the company's application for permanent authority unless the Commission finds good cause to extend the provisional period.²
- 6 Under the circumstances presented in this case, the Commission determines that it will afford Marsik Movers the same opportunity as companies that have received a proposed unsatisfactory rating to provide evidence, in the form of an approved safety management plan, showing that it has taken corrective action to address the identified violations. Marsik Movers must come into compliance with applicable laws by obtaining Commission approval of a safety management plan no later than May 6, 2022. If the Company fails to come into compliance by that date, the Commission will cancel its household goods carrier permit effective May 9, 2022. Thereafter, as an unregistered company, Marsik Movers would be prohibited from providing household goods carrier service in the state of Washington.
- 7 **THE COMMISSION GIVES NOTICE: That it intends to cancel the permit and authority of Marsik Movers to provide services as a household goods carrier effective May 9, 2022, for cause, following a hearing on the factual allegations set out above, unless the Company obtains Commission approval of a safety management plan prior to that date.**
- 8 The Company has the right to request a hearing in this matter. Due to the short time frame determined by the upcoming deadline, and pursuant to RCW 34.05.482 and WAC 480-07-610, the Commission schedules a hearing on its own initiative and determines that a brief adjudicative proceeding is appropriate to determine whether the Commission should cancel Marsik Movers' provisional household goods carrier permit.

THE COMMISSION GIVES FURTHER NOTICE: That it will hold a virtual brief adjudicative proceeding in this matter at 1:30 p.m. on May 3, 2022. To participate in the hearing by phone, call (253) 215-8782 and enter the Meeting ID: 863 8006 3235# and the Passcode: 515362#. The Commission will provide on its website copies of documents in the current record for use by the parties or others who may want to review them.
- 11 **Marsik Movers must submit its proposed safety management plan no later than 5 p.m. on April 19, 2022.** Parties wishing to submit any other documents for consideration at the brief adjudicative proceeding must file with the Commission a list enumerating and describing any such documents **no later than 5 p.m. on April 26, 2022**, and email copies of those documents to the other parties and the presiding officer by 5 p.m. on April 26, 2022.
