Case 22-002

Basic Description:

We put in a locate that was valid to dig on 11/17, on Dec 3 we arrived video'ed the site no gas or electric marks were present, we bored in a fiber conduit. After Christmas we put in locates to install a vault and the locator called and said that he would mark the gas and power in there ? He properly marked it this time and it was right where we had bored before and we missed the gas by 2 inches.
The locate ticket said completed.
