Auto transportation Certificate of Support Statement

Auto Transportation certificate applications must include more than one signed and sworn support statement from independent members of the public who need service, or a statement by a representative of a city, county or regional transportation planning organization.

Applicant Name: **Float Skagit LLC**

Customer Sworn Statement Relating to the Need for Service:

Customer Name: **Nate Strachila**

Address: **17747 Beaver Marsh Rd, Mount Vernon Wa, 98273**

Phone Number: **360-305-1461** Email: **nstrachila@hotmail.com**

Fax Number:

Describe the need for the requested service:

The need for ground transportation for people trying to access the Skagit river for summer recreation is very real. Not having many legal, and safe areas to access the river makes it challenging, and often these areas have very limited parking. It often inhibits me being able to leave a vehicle at these put in spots, ultimately resulting in not being able to use the river. Having a shuttle not only allows me and others the ability to enjoy the river but also cuts down on the environmental impact multiple cars driving and parking have as well.

If there is an existing company providing this service in the territory, please list the existing company's name (if applicable): **None**

Explain why the current company is not providing adequate service:

I certify or declare under penalty of perjury under the laws of the state of Washington that the information contained in this statement is true and correct.
