Re: Petition to Request and Exemption from Utilities and Transportation Commission's Insurance Requirements,

To Whom It May Concern:

Northwest Heavy Haul, LLC is asking for an exemption to WAC.480-14-250(1) (a) to accept Third Coast Insurance Company, as an unauthorized company not listed with the WUTC as our auto liability insurance provider. Third Coast Insurance Company is an active member of the Surplus Lines Association of Washington as an acceptable unauthorized carrier for filing purposes with the NAIC number 10713. Third Coast Insurance Company has and AM Best financial strength rating of A.

Northwest Heavy Haul, LLC has been operating from Enumclaw, WA as a contract carrier of building materials and dry goods since 2001. Northwest Heavy Haul, LLC is hereby formally filing a petition to request an exemption from the State of WUTC's insurance requirements and is asking the WUTC to accept the placement of our auto liability insurance with limits of \$1,000,000 with non-admitted insurer Third Coast Insurance Company. Our necessity in filing this petition is due to being unable to find an admitted insurer to place our coverage with that would add form CA 23 17 11 20 which we are required to have by contract. Without this form we will not be able to work with our main contract that allows us to remain in business.

Please call if you have any questions or need additional information. We look forward to hearing your decision as soon as possible.

All the best,

Heather Smith
