**Re: TV-220438- Voluntary Cancellation of THG069776** and Dismissal of Permanent Application TV-210412

Dear Jia He Service LLC:

On June 15, 2022, Jia He Service LLC requested that the Washington Utilities and Transportation Commission (Commission) cancel its permit because Jia He Service LLC is no longer operating as a household goods mover. Jia He Service LLC wishes to retain Common Carrier permit authority.

Based on the request, the Commission **cancel**s THG069776 and dismisses the permanent application TV-210412. Jia He Service LLC must **cease** all operations associated with this permit. If you advertise or operate as a household goods mover without a valid permit, the commission may take enforcement action against you. The Commission has also reissued permit CC069776 with authority for General commodities in the state of Washington excluding household goods, hazardous materials and armored car service.

Please note: You must submit an annual report for that portion of the year in which your company operated. You must also pay the annual regulatory fee if you discontinue operations after the reporting year ends (December 31). If you have questions about annual reports and/or regulatory fees, please contact [annualreports@utc.wa.gov](mailto:annualreports@utc.wa.gov) or 360-664-1157. For all other questions, please contact Licensing staff at 360-664-1222 or [transportation@utc.wa.gov](mailto:transportation@utc.wa.gov).

To reinstate your permit, download the reinstatement application at [www.utc.wa.gov](http://www.utc.wa.gov). To locate application instructions, type "File Your Transportation Application Electronically" in the site search bar, and select this link. Then, click on the appropriate industry application.

Sincerely,
