 COMMISSION

Dear Secretary:

Enclosed herewith is proposed Tariff 8 for Robert J. Pellegrini d/b/a Upper/Okanogan Valley Disposal, G-21. The rate increases are due to increases in all expenses since the last revision including, but not limited to postage, fuel, wages & benefits, medical insurance, equipment and other operating expenses. Our last general rate increase was in July 2011, over ten years ago. The annual revenue increase, if approved by the commission, is approximately \$263,815 or 15% of gross revenue. The change in a typical I-can customer is approximately \$2.49 or 15%. In conjunction, we submit the following in regards to the revised tariff:

- Copies of new tariff pages
- Copies of sample customer notices
- Solid waste general rate case checklist

Notices were mailed on or before December 31, 2021 to customers and the newspaper of general circulation (Okanogan Gazette Tribune). In addition, copy of transmittal letter was mailed to Okanogan County on November 16, 21. We thought we had this filed before December 31, 2021, which is why everything was dated earlier.

If we can provide any further information, please call Chris Jenness at (509) 647-5555.

*Sincerely,*  
*Chris Jenness, CPA*
