Under the provisions of RCW 80.16.020 and in accordance with WAC 480-100-245, PacifiCorp dba Pacific Power & Light Company (PacifiCorp) provides notice of an affiliated interest transaction with Mouser Electronics, Inc. (Mouser) through which PacifiCorp will purchase a replacement microswitch from Mouser. A verified copy of Purchase Order No. 4501083107 (Agreement) is included with this Notice as Attachment A.

PacifiCorp is a wholly owned indirect subsidiary of Berkshire Hathaway Energy (BHE). In turn, BHE is a subsidiary of Berkshire Hathaway Inc. (Berkshire). Likewise, Mouser is a wholly owned subsidiary of TTI, Inc., which itself is a subsidiary of Berkshire. RCW 80.16.010 includes in its definition of “affiliated interest,” “every corporation five percent or more of whose voting securities are owned by any person or corporation owning five percent or more of the voting securities of such public service company or by any person or corporation in any such chain of successive ownership of five percent or more of voting securities.” Therefore, Berkshire’s ownership of both BHE and TTI, Inc., creates an affiliated interest relationship between their respective subsidiaries PacifiCorp and Mouser.

Mouser is a globally authorized distributor of semiconductors and electronic components. Among the items available through Mouser is the microswitch (model number 7315600). This model is unique to that used with a component at PacifiCorp’s Huntington thermal power plant. A replacement is now needed for system continuity. Other vendors were solicited, though none could provide a quote for this part.

The Agreement between PacifiCorp and Mouser was prepared in accordance with PacifiCorp’s procurement policies and procedures. PacifiCorp will pay Mouser \$215.00 for the microswitch. The Agreement contains standard commercial terms and conditions that ensure PacifiCorp’s ability to provide safe and reliable service. The Huntington plant is not reflected in Washington rates under the Commission-approved Washington Inter-Jurisdictional Allocation Methodology. Notwithstanding, the Company is providing this notice out of an abundance of caution to ensure consistent treatment of affiliate contracts under the requirements of RCW 80.16.

Also included with this filing is a verification from Eva Williams, Buyer, PacifiCorp, regarding the Agreement.
