Re: **Cascade Natural Gas Compliance Filing Rule 8 Under Docket UG-210755
Advice No. W22-09-07**

Dear Ms. Maxwell:

Cascade Natural Gas Corporation ("Cascade" or "Company") files the following tariff sheets to become effective with service on and after October 1, 2022:

**Sixteenth Revision of Sheet No. 12
Eighth Revision of Sheet No. 12-A**

The Company requests an update in its authorized rate of return within its line extension allowances and policies consistent with its recent general rate case Order 09 under Docket UG-210755. In addition, Cascade proposes removal of the stated residential and commercial allowances included in the tariff and instead include the seven-year net present value formula prescribed within Docket U-210729. This change will help reduce the administrative burden and number of filings required as margin rates change in the future. Cascade respectfully requests an effective date of October 1, 2022. The following files are electronically submitted as part of this filing:

- NEW-CNGC-Advice-No.-W22-09-07-Trfs-09.01.22.pdf
- NEW-CNGC-Advice-No.-W22-09-07-Legislative-Trfs-09.01.22.pdf
