Re: Petition for exemption from WAC 480-14-250(1)(a)

Amanda Maxwell, Executive Secretary,

ADAM BRUCE CAVE TRUCKING LLC is petitioning for an exemption from WAC 480-250-(1)(a) to be able to use an insurer that is not authorized by the Washington Office of the Insurance Commissioner. ADAM BRUCE CAVE TRUCKING LLC is an Oregon-based motor carrier that is applying to perform intrastate hauling within the state of Washington. Our insurance carrier for commercial automobile liability is Artisan and Truckers Casualty Co (NAIC# 10194), a Progressive underwriter that while not admitted in Washington, is admitted in our home state of Oregon by the Oregon Insurance Commissioner.

Thank you,

Adam Cave
