RE: NW Natural's Third Quarter of 2022 Results of Operations – Extension Requested

Dear Ms. Maxwell,

Per WAC 480-07-904 and Docket A-180762, Order 01, page 2 paragraph 14, Northwest Natural Gas Company, dba NW Natural (“NW Natural” or “Company”), requests from the Executive Director and Secretary a one-week extension to file the Third Quarter 2022 Results of Operations, which is required by WAC 480-90-275 within 45 days of the end of each quarter.

The Company has recently installed a new accounting software system (Horizon 1) that has changed many processes and procedures to close the Company's books of record. Therefore, a one-week extension will allow the Company to prepare, review and submit the Third Quarter 2022 Results of Operations by November 21, 2022.

Sincerely,

NW NATURAL
