Dear Ms. Maxwell:

Our company has been notified that the tipping fee in Mason County will increase from \$110.27 to \$120.20 per ton, a 9.00% increase; effective January 1, 2023. We project this will increase revenue for residential service by \$106,000, 2.97%; for commercial service by \$52,000, 4.48%; and drop box service by \$74,000, 9.00% for a 12-month period. There are approximately 13,500 residential, 1,100 commercial and 100 drop box customers affected by this change.

The last general rate increase approved by the Commission was effective March 1, 2021.

Attached are the tariff pages as well as supporting documentation containing the increased rate calculations. Please note customer counts and tonnage reviewed and approved in TG-210038 were used in this filing.

If approved by the Commission, the rates will become effective January 1, 2023. Pursuant to WAC 480-70-271(2)(iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.
