Subject: Waste Management of Greater Wenatchee, a division of Waste Management of Washington, Inc. (G-237); Tariff # 14

Dear Ms. Maxwell:

Enclosed are revised page 2 and page 28 to the above-referenced tariff. The purpose of these tariff revisions is to apply the previously approved rates for bear carts to commercial customers. We received a request for the service from a commercial customer but the tariff states the rates would be in addition to residential customer rates. The change would apply the same rate to commercial cart customers. Accordingly, we are requesting that the change be approved effective December 1, 2022.
