Dear Filing Commission,

On behalf of Sunrise Disposal, Inc.- G-201, I am filing certain revised tariff pages and other documents requesting a rate increase effective February 1, 2023. This filing is necessitated by disposal fee increases at Delano Landfill in Grand Coulee, WA.

If this filing is approved by the Commission, the hauler’s overall revenue will increase approximately %, or \$9457.00. The revenue breakdown is:

Total	\$9457	12.3%

This filing is for recovery of disposal fees pursuant to RCW 81.77.160. A copy of the City of Electric City notice is attached.

Included with this filing is an Excel workbook titled [Sunrise Disposal Fee and BO Calculations.xlsx] which is a disposal workbook previously furnished by staff. This workbook has rate calculations, customer counts, price-outs both current and proposed.

Revised tariff pages are included with this filing in an Excel workbook titled [UTC Tariff.xlsx]. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective February 1, 2023. Affected customers will receive notice of the change on the first billing reflecting the revision to rates under WAC 480-70-271(2)(a)(iii).
